4.8   If, at the sole option of the Licensor, the Licensor incorporates an Extension into the Software a notice will be placed on the AppUse Extension Store to that effect.

4.9   The Licensor retains the right without incurring any liability to the Licensee to disable without notice any AppUse Extension being used by the Licensee where the Licensor considers in its sole discretion that use of such AppUse Extension with the Software is problematical.
